

Pixel UI & HUD

Thanks so much for buying this asset!

Sprites

The sprites are included in the [Sprites](#) folder. Each element has separate PNGs as well as a combined spritesheet depending on which you prefer.

You can find the source Aseprite files under the [Sprites/Aseprite](#) folder.

Prefabs

There are ready-made prefabs for all the different elements in the [Prefabs](#) folder. Most prefabs have different variants for the different styles.

Scripts

Some interactive elements have scripts in the [Scripts](#) folder that can be used or extended.

Demo Scene

The demo scenes are in [Demo/Scenes/](#) and you can start from the [CoverSample](#) screen.

You can use [F1-F12](#) for quick navigation between the demo scenes, or press [Tab](#) to display the help screen.
